My Journey through Bible School.

Hi my name is Nastya Shevchik I want to tell you my journey through Bible School. I will be telling you about a verse that I like it is James 1:19. It says wherefor my beloved brethren, let every man be swift to hear, slow to speak, and slow to wrath. I like this verse because it reminds me that I have to be slow to speak and slow to get mad. It is really hard for me because I usually got mad easily but when I read the Bible I follow this and the day goes smoothly, without fighting and getting mad. That's why I like James 1:19.

The next paragraph is gonna be about a hero. My Hero is David why I chose David is because he trusted God, he trusted God in fighting Goliath. He was not afraid and was brave. It shows me and encourages me to not be scared because God is with me and you, all the time where ever you are at home, in church and everywhere else. That's why I like the story about David and Goliath.

I hope you enjoyed reading so far but I have one more thing to share with you guys. It is that I will be writing about a lesson that we had in Bible school. It was in 6th grade 2013 it was about Heaven, ~~when~~ I learned about Heaven in Revelations first I was scared to read it but then I had the courage to read it with my parents at home and in Bible school with Yanna and Katya. Once in a while it was less scary to me. I learned lots of new stuff like whats gonna happen next and more interesting thing so thats why I liked the lesson about Heaven.

That is all for my essay before I say bye I wanna say thank you to you guys all for leaders helpers thank you and also Andrey for all your support and love you showed me thank you. And now I hope you enjoyed reading my essay thank you again and now bye see you at the graduation.
Bye.
