

My Journey in Grace Kids Bible School

By: Evelyn Bublik

Throughout my journey in Grace Kids Bible School I learned a lot about the Bible. The story of Esther is the one that stood out to me most. It's a story about a brave queen who was able to save her people. King Ahasuerus chose Esther to be queen. Haman, the king's official had a plan to kill all Jews, however he didn't know that Esther was also a Jew. Mordecai found out Haman's evil plan and told Esther that she must go to the king since she was the only one who would be able to change his mind. Mordecai told Esther to tell the king Haman's evil plan and tell the king all about her people. Even though she was afraid, she asked her people to fast and pray for her as she went to the king. The king listened to Esther, and with God's help and bravery Esther saved her people.

The story about Esther has taught me multiple lessons. It has taught me to not be afraid, and that anything can be done with God's help. Just like when Esther was going to the king, she was afraid, she still went because she had God on her side. This story also taught me that God helps us in hard times. God used this lesson to change my life. I have good reminders to not be afraid because God is with us, and to know that you can do anything with God's help. I have tried doing different tasks on my own in the past, but I have failed each time. I then realized that I can only do things with God's help to succeed.

The Bible story about Esther helped me become closer to God. I feel like he is there by my side, and talks to me through his Word and the Holy Spirit. Through this story I have learned to trust God. I ask Him for help during the day to guide me into the right paths. God hears me and answers me, by helping me be respectful and obedient to my family. He helps me in times of trouble, and lets me know what's right and wrong. God always provides for me and gives me everything I need.
